

## Manu-Care

### Skin care cream

**Area of application:** For daily body care, ideal for face and hands.  
 For preferred applications everywhere, where the skin is strongly degreased due to special work flows in the industrial area and especially the skin of hands often needs care.  
 If regularly used, skin cracks and embrittling will be prevented.  
 Also suitable for the day-to-day work at the office.

- Properties:**
- With panthenol
  - It smooths the skin and supplies the necessary nutrients
  - Fast absorption by the skin
  - Drying of the skin will be avoided
  - Moisturising
  - Silicone-free
  - Economical in use
